STIPULATION CONTINUING CASE
 MANAGEMENT CONFERENCE;
~~PROPOSED~~ ORDER

Date: January 3, 2006

Time: 2:00 p.m.

Location: Courtroom 11, 19th Floor

The parties, through counsel, hereby request that the Court continue the Case Management Conference set for January 3, 2006 to January 24, 2006, at the same time and place . The parties also request that the related dates for preparation for the Case Management Conference be modified as follows:

- 1/3/06 Last day to meet and confer re initial disclosures, early settlement, ADR process, and discovery plan
- 1/3/06 Last day to file Joint ADR Certification with Stipulation to ADR process or Notice of Need for ADR Phone Conference
- 1/17/06 Last day to complete initial disclosures or state objection in Rule 26(f) Report, file/serve Case Management Statement, and file/serve Rule 26(f) Report

If January 24, 2006 is not available, the parties request that the Case Management Conference be continued to any Tuesday after January 24, 2006, and that the related dates for preparation for the Case Management Conference also be modified

The reason for the stipulation is that counsel for Plaintiff & Counter-Defendant has a calendar conflict on January 3, 2006, specifically that he is scheduled to be in a labor arbitration that day in Los Angeles in a case involving the testimony of an out-of-state witness. As obtaining a mutually available date in that case for the

1 arbitrator, the witness and the two attorneys was very difficult, it is much more feasible
2 to continue the Case Management Conference.
